

**Dear Students and Parents,**

**I am happy to begin this new year of piano with you. Please read the important information below:**

**MISSED LESSONS and CANCELLATIONS:**

**Piano lessons are a commitment. Please choose a convenient time and day for the lesson, which would not interfere with your child's other activities. Regularity is a very important factor in learning to play an instrument well.**

**--Lessons that are missed due to an illness may be made up.**

**--If you decide to cancel a lesson, please let me know few days in advance. A late cancellation, unless it is an emergency, breaks a tight schedule of lessons and is disrespectful to the teacher. In case if the student misses a lesson without a 24 hour notice, the payment will not be refunded or credited towards the next month lessons.**

**I appreciate your understanding and cooperation. In my turn, as always, I will do my best to make sure that your child remains interested, motivated and inspired.**

**Sincerely,**

**Anastasia**
